Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Saturday 23 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry and sunny on Sunday, but cold.

This Evening and Tonight:
Isolated wintry showers may continue across the Pennines, but most places will be dry with clear periods, possibly with some patchy freezing fog forming. A widespread sharp frost will develop. Minimum temperature -5 deg C (23 deg F).

Sunday:
After a very frosty start it will remain cold with temperatures struggling to climb much above freezing, despite long sunny periods and light winds. Maximum temperature 3 deg C (37 deg F).

Outlook for Monday to Wednesday:
Monday, cold, scattered wintry showers. Tuesday, mainly dry and bright, perhaps some rain and snow overnight. Still chilly. Wednesday, dry for a time, rain and strong winds later. Milder later.
